

## **Grades PreK-4 Student Acceptable Use Policy (*AUP*) For Internet and Network Permission**

The *New Jersey Department of Education* requires that all students demonstrate proficiency with technology. The school will grant access to only those students with parent/guardian permission and who agree to follow the rules established for the school network and Internet, as follows:

1. I will only stay on the websites that my teachers set up for me to use.
2. I will not type in a web address or do my own independent search without my teacher's permission.
3. I will practice Internet safety by not providing any personal information such as my full name, picture, address, home phone number, or name of my school on the Internet.
4. I will tell my teacher if I read or see something on the Internet that makes me feel uncomfortable.
5. I will not use email independently, enter a chat room, or use instant messaging in school.
6. I will not access, modify, copy, or share passwords or data belonging to other users.

***I understand that all school rules apply while I am using the Internet and computers. If I do not follow these rules, I will be subject to disciplinary action.***
